Gowns and Gardens: Announcing The GG Women's Club

Gowns and Gardens has been met with tremendous enthusiasm and support, captivating women from all walks of life. In light of the positive response we've received, we are thrilled to introduce The GG Women's Club. This membership-based, monthly meet-up and community app is designed to help elegant women forge new friendships! Our events feature valuable insights from guest speakers of diverse backgrounds, addressing topics that inspire, empower women, and encourage them to pursue their dreams, ultimately fostering positive change in the communities where our members live and work.

Sponsorship Opportunities

We invite companies within our communities and beyond to consider becoming a sponsor of the GG Women Private Club Tour. Sponsorship offers a unique opportunity to showcase your brand to a targeted audience of women throughout your community. Our sponsorship packages are tailored to meet the needs of everyone in the ecosystem and can be enhanced with additional options. By sponsoring the GG Women Private Club Tour, you will gain exposure to a select group of professional and emerging women who are mindful of their lifestyle choices and the brands they embrace, all while demonstrating your commitment to the community.

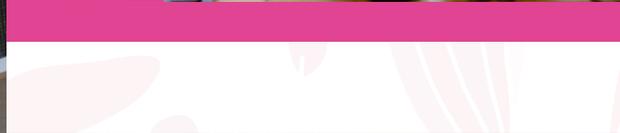

The GG Women Private Club Tour is set to launch in October 2026. Join us and leading women from our community and beyond for an enriching experience filled with laughter, joy, great company, delicious food, drinks, and engaging conversations.
